by The Phoenix Business Journal and BestCompaniesAZ
Fennemore Craig is Highest Ranked Law Firm on List**

Phoenix, Ariz., Dec. 13, 2006 — The Phoenix Business Journal and BestCompaniesAZ (BCAZ), the co-founder of the *Best Places to Work* list, have announced that Fennemore Craig has been named to the 2006 list in the large-sized category. Fennemore Craig ranked sixth, the highest among all law firms on the list in all categories.

The *Best Places to Work* list, which was started in 2003, recognizes Valley companies who, through a third party administered employee survey, are ranked as being the best places to work. The areas surveyed are varied parts of employee life, including workplace environment, leadership direction, culture, and management practices.

Fennemore Craig was acknowledged for creating an enjoyable corporate culture and work environment that fosters personal and professional growth for its employees. “We are gratified to be recognized among the Valley’s best places to work. We strive to maintain a work environment that helps employees excel both professionally and personally,” said Tim Berg, Fennemore Craig managing partner.

Winners were announced at the *Best Places to Work* luncheon, December 7 at the Arizona Biltmore, and will be featured at the Best Workplace Business Forum hosted by BestCompaniesAZ on February 1 in Phoenix. For information visit www.bestcompaniesaz.com.
