For Immediate Release

### Daniel W. Glasser named to 2009 Colorado Rising Star List

Denver, Colo., March 20, 2009 — Daniel W. Glasser, an attorney in the Denver office of Fennemore Craig, has been named by *Colorado Super Lawyers* magazine as a *Rising Star* for 2009. Mr. Glasser is admitted to practice and handles cases in Colorado, Arizona and Nevada – all three of the states where Fennemore Craig maintains offices. He represents clients in commercial litigation and bankruptcy, with a focus on construction-related disputes.

The *Rising Stars* list honors outstanding lawyers who are 40 years old or younger and who have been in practice for ten years or less. No more than 2.5 percent of lawyers in the state of Colorado are named to the *Rising Stars* list, according to the publisher. Attorneys on the list are recognized as among the best in their practice areas and for demonstrating high professional achievement. The selections for *Super Lawyers* are made by Law & Politics, a division of Key Professional Media, Inc. of Minneapolis, Minn. Each year, Law & Politics undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by Law & Politics' attorney-led research staff, a peer review of candidates by practice area, and a good-standing and disciplinary check. *Super Lawyers* can be found at [www.superlawyers.com](http://www.superlawyers.com).

Fennemore Craig is a full service business law firm with more than 200 attorneys and offices in Denver, Las Vegas, Nogales, Phoenix, and Tucson. For information, visit [www.fennemorecraig.com](http://www.fennemorecraig.com).
