**Fennemore Craig selected as a recipient of the inaugural  
Most Admired Companies Award**

Phoenix, Ariz., Sept. 20, 2010 – Fennemore Craig has been selected by Arizona Business Magazine and BestCompaniesAZ as one of 43 winners for the inaugural Arizona’s Most Admired Companies Awards (MAC).

Winning companies are selected based on how they perform in these areas: workplace culture as voted by employees; leadership excellence; corporate and social responsibility (community and environment); and customer opinion (as assessed by customers).

“These companies truly exemplify what it means to be a good corporate citizen,” said Cheryl Green, vice president of marketing for Arizona Business Magazine. “MAC winners consistently show strong leadership, a commitment to the communities in which they operate, and concern for their employees and customers.”

Denise Gredler, president of BestCompaniesAZ said “We are honored to recognize these 43 prestigious companies for the work they have done in taking care of their employees, customers and the community.”

The 43 Most Admired Companies were recognized at an awards event September 14 at the Ritz Carlton Phoenix and in the September/October 2010 issue of Arizona Business Magazine.
