

Plaintiffs' Personal Injury Practice

Fennemore Craig, one of the largest firms in the Southwest, has over 100 years of personal injury experience. Our lawyers have successfully represented a broad spectrum of personal injury clients ranging in injury from the most catastrophic to the less severe. They also represent Spanish-only speaking clients.

If there is no recovery, there is no fee.

The cost of legal services can be a major concern after serious injury or financial loss. Fennemore Craig offers personal injury and commercial law legal services on a contingent fee basis. A contingent fee is simply a percentage of the recovery, paid at the conclusion of the case. If there is no recovery, there is no fee.
