Fennemore Craig Attorney Recognized in IP Stars 2018/2019 Rankings

DENVER, CO – [Fennemore Craig](#), a leading Mountain West law firm, announced [Bruce Dahl](#), managing partner of the firm’s Denver office and chair of the firm’s intellectual property practice, has been recognized in *Managing Intellectual Property’s IP Stars 2018/2019* Rankings.

“Bruce exemplifies the innovative, informed, and efficient approach to the patent practice that our clients rightfully expect,” said [James Goodnow](#), president and managing partner of Fennemore Craig. “We congratulate Bruce on his recognition in IP Stars and his continued success and dedication to his clients and the legal profession.”

Dahl assists clients with patent prosecution, patent infringement studies, design-around efforts, and agreements relating to intellectual property. He has prosecuted patent applications in materials science, optics, energy production, computers and software, general mechanics and thermodynamics. Dahl earned his J.D. from the University of Denver and his B.S. from the University of Colorado.

Managing Intellectual Property IP Stars is the leading specialist guide to Intellectual Property firms and practitioners worldwide since 1996. The rankings cover more than 80 jurisdictions, making it one of the most comprehensive and authoritative analysis of the industry.
